

## American Airlines orders 460 Boeing and Airbus aircraft

**American Airlines has announced multi-billion dollar orders for 460 new Boeing and Airbus planes.**

The world's fourth-largest airline by number of passengers, American is buying 200 Boeing 737s and 260 Airbus A320 aircraft.

American described the twin deals as "the largest aircraft order in history".

Its parent company AMR Corporation added that the new single-aisle planes would "transform" American's fleet.

The new aircraft will be delivered between 2013 and 2022.

American Airlines said it would have the youngest fleet in the US within five years
